

## DIAGA DIOUF

PhD

H-index: 30 based on Google Scholar

### Professor of Plant molecular genetic

Laboratoire de Biotechnologies Végétales

Département de Biologie Végétale

Faculté des sciences et Techniques

Université Cheikh Anta Diop, Dakar, Sénégal

Email: [diaga.diouf@ucad.edu.sn](mailto:diaga.diouf@ucad.edu.sn)

### Full resume:

Google scholar:

<https://scholar.google.com/citations?user=PapNDRoAAAAJ&hl=fr&oi=ao>

Researchgate: [https://www.researchgate.net/profile/Diaga\\_Diouf](https://www.researchgate.net/profile/Diaga_Diouf)

### RESEARCH INTERESTS

The goal of my researches is to understand the molecular mechanisms that control drought tolerance in crops using OMIC approaches, breeding methods, and bioinformatics tools. This will lead to the development of smart-climate crops to improve food security.

### EDUCATION

**1996: PhD**, Physiology, Biology and Plant Molecular Biology, Paris VII-Denis Diderot, Paris, France

**Dissertation:** Genetic transformation of *Casuarinaceae*: a tool for molecular study of actinorhizal symbioses

**1993: Master of Science**, University of Cheikh Anta Diop, Dakar, Senegal

**Dissertation:** Development of a transgenic *Casuarina glauca* root nodulation system

**1989: Bachelor of Science**, University of Cheikh Anta Diop, Dakar, Senegal

### PROFESSIONAL EXPERIENCE

**2012-Present: Full Professor** at Department of Plant Biology, UCAD, Dakar, Senegal

**2007-2010: Adjunct Professor** at Department of Biological Sciences, Virginia Polytechnic Institute and State University, Blacksburg, VA, USA

**2006: Associate Professor** at Department of Plant Biology, UCAD, Dakar, Senegal

**2004: Visiting scientist (10 months)** at Department of Biological Sciences, Virginia Polytechnic Institute and State University, Blacksburg, VA, USA

**2003: Post-doctoral Trainee (3 Months)** at Department of Agronomy and Range Science, University of California, Davis, USA

**2002: Post-doctoral Trainee (1 Month)** at Department of Biological Sciences, Virginia Polytechnic Institute and State University, Blacksburg, VA, USA

**1997: Assistant Professor** at Department of Plant Biology, UCAD, Dakar, Senegal

### EXPERTISE

- **Courses taught:** Biosafety, Epigenetics, Introduction to Bioinformatic, Molecular Biology, Plant Breeding (Molecular Assisted Selection, Plant Mutation Breeding, Transgenesis), Plant functional genomics, Plant structural genomics

- **Reviewer** in more than 30 scientific journals those which belong to Frontier in Plant Science, MDPI, Elsevier, etc

### **Responsibilities**

- Head of the doctoral program in plant and microbial biotechnologies and plant breeding (since 2022)
- Head of the Laboratory of Plant Biotechnologies
- Head of the National Laboratory of Biosafety
- Member of the University Cheikh Anta Diop **Faculty Promotion Committee** (since 2019)
- Member of the Faculty of Sciences et Techniques assembly (since 2000)
- Member of the Institut Sénégalais de Recherches Agricoles (ISRA) **Scientific and Technical Committee** (since September 19<sup>th</sup>, 2022)

### **EDITORIAL BOARD MEMBER**

1. **BIOCELL** : [https://www.techscience.com/biocell/info/editor\\_board](https://www.techscience.com/biocell/info/editor_board)
2. **Plant Molecular Biology Reporter** : <https://www.springer.com/journal/11105/editors>
3. **Basrah Journal of Agricultural Sciences**:  
<https://bjas.bajas.edu.iq/index.php/bjas/about/editorialTeam>
4. **Review Editor in Plant Science**: <https://loop.frontiersin.org/people/206959/overview>

### **GRANTS**

**2004-2006:** Institut de Recherche pour le Développement (IRD), France. **€ 40,000**

**2002-2004:** Fond national de la recherche alimentaire et Agro-alimentaire (Sénégal): **US\$ 79,209**

**2001-2003:** International Atomic Energy Agency. **SEN5026: US\$ 168,695**

**2016-2022:** International Atomic Energy Agency. **RAF5076 and RAF5083, 175 000 Euro**

**2024-2027:** International Atomic Energy Agency. **RAF5092, 175 000 Euro**

### **SUPERVISED STUDENTS**

- **42** students who defended their Master
- **13** students who defended their PhD

### **PUBLICATIONS**
